

PACIFIC SYMPOSIUM ON BIOCOMPUTING 2025

Big Island of Hawaii, January 4-8, 2025

Welcome to PSB 2025!

We have prepared this survival guide to give you quick access to information you need for PSB 2025.

The latest conference materials are available online at <http://psb.stanford.edu/conference-materials/>.

PSB 2025 gratefully acknowledges the support of Khosla Ventures, PGxAI, and the PSB organizers Teri Klein, Russ Altman, Marylyn Ritchie and Larry Hunter. We also are grateful for the long term support of the National Library of Medicine/National Institutes of Health (NIH)** and the International Society for Computational Biology (ISCB). If you or your institution are interested in sponsoring PSB, please contact Tiffany Murray at psb.hawaii@gmail.com

In honor of the 30th Anniversary of PSB, we are pleased to support the local Waikaloa Dry Forest (<https://www.waikoloadryforest.org/>) dedicated to the preservation of the wiliwili tress in some of the roughest terrain in Hawai'i. If you are feeling generous to Hawaii, we will be collecting donations for this local group.

If you have any questions, the PSB registration staff (Tiffany Murray, BJ Morrison-McKay, Cindy Paulazzo, and Heather Miller) are happy to help you.

Aloha!

Russ Altman
Larry Hunter
Teri Klein
Maryln Ritchie

12/15/2024

PACIFIC SYMPOSIUM ON BIOCOMPUTING 2025

Big Island of Hawaii, January 4-8, 2025

Participants are encouraged to wear masks inside the meeting rooms if you have any respiratory symptoms (even allergies) or to protect yourself.

SPEAKER INFORMATION

Oral presentations of accepted proceedings papers will take place in Salon 2&3. **Speakers are allotted 10 minutes for presentation and 5 minutes for questions for a total of 15 minutes. Instructions for uploading talks were sent to authors with oral presentations.** If you need assistance with this, please see Tiffany Murray or another PSB staff member.

WORKSHOP INFORMATION

Workshops taking place on January 4th in the Plaza Ballroom and Salon 2&3 will be three hours offering extended discussion on timely topics. The hybrid workshop/session taking place on January 6th in Salon 2&3 will be 90 minutes.

POSTER INFORMATION

Please set up your poster when you arrive in Salon 1 and remove it by Saturday, January 7th by 5:30pm.

Please use the easel marked with the same number that your [poster abstract](#) has been assigned on the abstract list (e.g., if your abstract is on page 50 of the list, use the easel marked #50). Once your poster is displayed, please make sure that the number is still visible. If you would like to present a poster, but were not able to submit a poster abstract, please request a poster space when you check-in at the PSB registration desk (one poster per participant is accepted).

The poster session is centered around lunch. Please eat, talk, and network.

The [poster session](#) is on Monday, January 6 12:25-2:30.

12:25-1:45pm: Food & Beverages Available

1:00-1:45: Posters on **ODD** numbered boards presented

1:45-2:30: Posters on **EVEN** numbered boards presented

INTERNET CONNECTIVITY

Please help keep the PSB wireless network stable: Do not download large data files due to limited bandwidth.

PSB is connected to the internet via a secure wireless network for the conference. For transferring your data/presentations or technical difficulties with the network, please see PSB IT/AV staff members Al Conde, Ryan Whaley, Liam Mulhall or Mark Woon.

To connect to the PSB wireless network, you will need to explicitly join the “PSB” SSID and use the passphrase “orcpsb123” with WPA2-Personal security type and AES encryption.

PSB’s wireless Internet access (802.11b/g/n) is available in the Salons 1, 2, 3, the Plaza Ballroom, and the Ballroom Courtyard of the Fairmont Orchid.

PACIFIC SYMPOSIUM ON BIOCOMPUTING 2025

Kamuela, HI 96743

Direct: (808) 885-4418

Hours: 9am-7pm Monday – Friday, 9am-5pm Saturday, Closed Sunday

The **Fairmont Orchid Security Staff** consists of a minimum of three Security Officers on each shift, providing 24-hour coverage for the resort property. The Security Staff is trained and certified in First Aid, CPR and A.E.D. Security patrols are conducted on a continuous basis throughout the resort. All patrols are radio dispatched.

The resort has in place an emergency team of A.E.D. (Automatic External Defibrillator) certified users in the event of sudden cardiac arrest. The team is trained in its use in conjunction with cardio pulmonary resuscitation. We have 6 A.E.D.s throughout the property so full coverage of the property is more easily maintained.

Security

- Electronic locks for guestrooms
- Secondary locking device for entry, balcony and connecting guestroom doors
- Entry door viewer

PACIFIC SYMPOSIUM ON BIOCOMPUTING 2025
